About this guide Whether this is the first time you have received a pension savings statement from us, or you have received one for an earlier tax year, the topic of taxation on pensions is complicated and the language used technical and therefore confusing. This guide has been published as an aid to:

NHS Pension Scheme

International taxation is the study or determination of tax on a person or business subject to the tax laws of different countries, or the international aspects of an individual country's tax laws as the case may be. Governments usually limit the scope of their income taxation in some manner territorially or provide for offsets to taxation relating to extraterritorial income.
