About Curt — Curt Steinhorst

Can I Have Your Attention? is not your traditional self-help book that offers 12 simple steps to enhance brainpower. Nor is it a book on Eastern Wisdom, spirituality, or conventional meditation. It is an eye-popping adventure that combines ancient, high-speed attention-building processes with cutting-edge ...

Fortunately, we can increase our focus by strengthening our attention span and making sure that we are getting enough sleep. To strengthen your attention span, try focusing on your breath, staying engaged with one task in a controlled amount of time, or giving your brain several activities to work on.

Can I Have Your Attention?'s big insight is: If you want to overcome distraction and improve productivity, you have to learn to focus the right amount of attention, toward the right things, at the right time. The author calls this becoming "focus wise." The book opens with a kind-of "Science and History of Attention 101".
