gloomy for the Husqvarna Motorcycle division. The company had won the 500cc world championship, but in the quarter-litre class the situation was different. No research and development were done to the smaller power plants and no factory sponsoring was available for keen 250cc riders who wanted to conquer the world.

Think of this operator's manual as a valuable document. By following its' content (using, service, maintenance etc) the life span and the second-hand value of the machine can be extended. If you will sell this machine, make sure that the buyer will get the operator's manual. Thank you for using a Husqvarna product.
