I don't blame the actors; they did the best they could with the script. The writer, however, needs to return to history class. I realize history isn't everyone's forte, but if you are writing a script based on time-travel and history, at least have a care to know your subject and write accordingly.

Guide to buying a guitar amp The first thing you will need to ask yourself is whether you should get a combo amp or a head and cabinet. A combo is an all-in-one amplifier, while a head and cabinet are separate, and usually a lot heavier. For small pubs or halls, combo amps at 30-50 watt can deliver the power you need.
