Policing The Planet Why The

How policing became the major political issue of our time
Combining firsthand accounts from activists with the research of scholars and reflections from artists, Policing the Planet traces the global spread of the broken-windows policing strategy, first established in New York City under Police Commissioner William Bratton.

Policing the Planet: Why the Policing Crisis Led to Black

...

I'm not sure why it is policing the planet when the essay focus on the US. There is mention of Toronto and many of the groups interviewed have voiced support for Palestine, but it is really focus on broken win I should note that I am most likely a little less left leaning than the majority of Verso readers.

the world over—to deadly effect.

Policing The Planet - Verso Books

policing has become the political expression of neoliberalism at the urban scale. Racism, it argues, has sustained and naturalized these processes as inexorable and inevitable. The book therefore considers the struggle against racism, militarism, and capital—the policing of the planet—as a central political challenge of our times.³
